

JCSS

Joint Committee
on Structural Safety

Semestral Meeting

9./10. April 2026, Aalborg, Denmark
(Online participation available)

Scope of the meeting

The biannual meeting of the Joint Committee on Structural Safety (JCSS) will include a general session followed by three Working Party (WP) sessions. WP1 will focus on further development of the Probabilistic Model Code, discussing ongoing developments and applications. WP2 will address Risk-Informed Decision Support for Systems Involving Structures. WP3 will cover the JCSS Continuing Education and Advanced School, providing updates on educational initiatives and training programs.

In addition there will be a meeting for the Task Force on Uncertain Climate Futures WG1.

Registration

We kindly request all participants to register for the meeting. Please indicate your participation preferences (in person, online, or unable to attend) [here](#).

Registration Deadline: Please submit your response by **31.03.2026**.
